Any unanticipated shipping or delivery costs not due to the negligence of the Seller will be paid directly by the Buyer before shipping or delivery of the Dog.
 - d. Payment can be made by personal check, but the check must be received 4 weeks before the Dog leaves the Seller's home, and all payments must be fully credited to the Seller's account before the Seller releases the Dog.
2. Seller guarantees that the above-described Dog is a purebred Leonberger Dog eligible for registration with the American Kennel Club, referred to as AKC. AKC registration will be provided to the Buyer when the Seller receives them from the AKC and when the terms set forth below are met.

3. If Buyer does not wish to or cannot exhibit Dog in breed confirmation, Seller reserves the right to do so at Seller's sole expense. Seller will make every reasonable effort to accommodate Buyer's schedule of activities.

Seller's Limited Health Warranty:

3. The buyer acknowledges that the seller has taken every reasonable precaution for physical soundness and mental stability in this breeding. However, the possibility of imperfection and/or health problems throughout Dog's life still exists. Many variables may influence the Dog's future health and condition beyond the Seller's control. Therefore, the seller makes no further warranties or guarantees.

Breach:

Buyer's failure to comply with the conditions and terms set forth herein shall result in a breach of contract, and the Dog will be returned to Seller at Buyer's expense.
